Table Tennis at Sandhurst Village Hall

Calling all budding table tennis players!! Norman Saunders is hoping to form a team to play in the Gloucester Table Tennis Association League from Sandhurst Village Hall. Sandhurst in the past has had teams in the Gloucester League going right back to the 1950s. Matches are normally played home and away weekly and the home night for Sandhurst is to be a Tuesday. The league runs from September to March. This means that the Hall may be available for practice, coaching or lessons on the alternate away dates. These will be on an ad-hoc basis depending on interest from any-one - seniors or juniors - who would like to play, learn, or improve in this fast paced fun sport.

More details about this soon.

Village Questionnaire

As explained in our last newsletter, the annual upkeep for the hall is about £5000 per annum and about 2/3 of this income is provided by hall hire. As a committee we therefore need to fundraise about £2000 each year to keep this facility at the current high standard.

We are planning to send out a questionnaire to all villagers to find out what we could offer at our hall to help generate funds and encourage additional use of the hall. More details to follow soon about this.

Please support events in our village hall. As you can see, every fundraising event supports this fantastic amenity that is available for us all to use. It would be such a shame for it to fall into disrepair. Your support is very much appreciated.
